

Letter of Attestation

LightLab hereby certifies that it has tested a:

Low Intensity Type A Obstacle Light
Cat No. AV10
and representative of Cat No. AVC300.

supplied by:

Sealite Pty Ltd.
21 Simcock St
Somerville Vic 3912
Australia

Report Reference: LightLab Test Report LSA9038

Report Date: 20th April 2005

The test data recorded in the report indicates the performance of the sample submitted for testing is in accordance with the requirements of:
The photometric and colorimetric specifications for a Low Intensity Type A Obstacle Light listed in table 6-3 of ICAO Annex 14 Volume 1, "Aerodrome Design and Operations", Fourth Edition July 2004.
